## ODD FELLOWS HONOR MEMORY OF THEIR DEAD

### Monument Unveiled Over Grave of the Rev. Parker Hall Sweet.

Before a large gathering of Odd Fellows, the monument presented by the order in memory of the Rev. Parker Hall Sweet, formerly grand secretary of the jurisdiction, was formally unveiled and dedicated yesterday afternoon in Oak Hill Cemetery.

Under the command of Brig. Gen. E. W. Bradford, of Washington Canton No. 1, acting as marshal, the Odd Fellows marched from the hall of Covenant Lodge No. 13, on Thirty-first Street northwest to the grave, where the opening address was made by Grand Master George Z. Colison, who introduced as chairman Past Grand E. B. Hay, of Beacon Lodge No. 15. The hymn "Nearer, My God, to Thee" was then sung by the octet composed of Mrs. M. Lodel, Mrs. A. E. Grigsby, Mrs. J. P. Dodge, Mrs. W. H. Connelly, W. J. Palmer, J. H. Brewer, Thomas Marshall and James H. Cathell. The invocation was offered up by the Rev. J. D. Kinzer, of Congress Street Methodist Protestant Church, who spoke in praise of the dead. Following this the octet sang "Asleep In The Deep." Jonathan A. Cathell, of Covenant Lodge No. 13, with appropriate words formally dedicated the monument. On behalf of Friendship Lodge No. 12, of which the Rev. Mr. Sweet was a member, Past Grand Master Theodore Mead placed upon the stone a handsome floral tribute of laurel leaves and white roses.

The presentation of the monument to the Grand Lodge was made by Past Grand Hay. The formal acceptance of the monument was by Grand Representative A. A. Stier, of Beacon Lodge No. 15, who spoke of the dead as an honored and upright Christian man. It was appropriate, he said, that the dedication should occur on the eighty-fourth anniversary of the birth of the order of Odd Fellows. The octet sang "Lead, Kindly Light," after which the Rev. J. D. Kinzer pronounced the benediction. The monument is a large oblong block of granite, simple and without ornamentation, and bears the following inscription:

A Tribute  
From the Odd Fellows  
of the District of Columbia  
To  
Rev. Brother Parker Hall Sweet,  
Grand Secretary of the Grand Lodge  
of the District of Columbia  
From  
Jan. 12, 1854, to March 16, 1887.  
Born August, 1815.  
Died March 16, 1887.  
"Blessed are the dead which die  
in the Lord."

The officers of the order present were Grand Master George Z. Colison, Deputy Grand Master J. H. Crew, Grand Secretary E. T. Pettengill, Grand Chaplain John W. Holliday, Grand Conductor Philip Walker, Grand Representative W. P. Allan, Frederick A. Stier and T. W. Fowler, Grand Patriarch John W. Wood and Grand Scribe Joseph Burroughs, representative of the grand encampment, and Past Grand Master J. T. Petty.

### CLARA BURNS DIES FROM HER INJURIES

Clara Burns, who was fatally burned at her home, 314 New York Avenue northwest, yesterday, died late in the afternoon at the Emergency Hospital. The girl, who was sixteen years old, sustained the injuries by her gown lighting from a gas stove. The flames consumed the garments in a moment, burning her from head to foot. Screaming with pain she ran to the street, and was followed quickly by her mother, who had heard the cries. The flames were smothered, and the girl was found to have been terribly burned. She was the daughter of Mrs. Irving Millon, a dressmaker.

### PORTRAIT OF GENERAL WOOD.

The Corcoran Gallery of Art has received a portrait of Gen. Leonard Wood by John S. Sargent which is attracting a great deal of favorable comment. General Wood is represented in full uniform. It is a half-length painting, and a remarkably fine likeness. With his usual skill Sargent has not only reproduced the features with exactness, but seems to have caught something of the spirit of the sitter as well. Sargent's two characteristics, rapidity of execution and accuracy of touch, are displayed. The portrait is hung in the "Loan Room" next to that of Prince Henry presented to Miss Alice Roosevelt by the prince on the occasion of his visit.

### TO EVADE OLD TAXES.

Ralston & Siddons, attorneys for L. Cabel Williamson will be informed by the District Commissioners that a tax case similar to that filed by their client is being considered by the Corporation Counsel, and that when the opinion is submitted a reply will be sent. The case is one in which a tax deed was issued, and it was later found that taxes are due on the property for the years 1882 to 1892, inclusive. The application was that the taxes named be canceled.

## KNIGHTS OF COLUMBUS MAKE MERRY AT SMOKER

### Jolly Celebration of Sixth Anniversary of Order in District.

Rauscher's banquet hall re-echoed last evening to the air of "Mr. Dooley" as four hundred voices crashed into the chorus. Washington Council No. 224, Knights of Columbus, was making merry with its invited guests, the other councils of the local order, over the sixth anniversary of the institution in the District. Beginning with forty-five charter members the organization has grown until it numbers five councils and 1,500 men. Last evening's smoker was one of the most successful ever given in the city.

The Rev. P. J. O'Connell, of St. Stephen's Church, pronounced the blessing and Dr. A. D. Wilkinson, chairman of the committee, made the welcoming speech. Letters in a humorous vein from brothers unable to be present were read.

The Knickerbocker Quartet, composed of Messrs. Greene, Mulhall, Stump and Golden, sang "The Old Church Bell" and "Juniata." Prof. Walter Holt played a mandolin solo.

Refreshments were served meanwhile and the click of steins was heard in the hall and the smoke of multitudinous cigars hung low over the crowd.

The second part of the program consisted in conferring the sixth degree. Songs, "knocks," wit and character impersonation made up the uncanonical ritual. George Ogden arranged the exercises. Dr. H. J. Corason's speech was heartily applauded.

George T. Cox read a few odes in which Prof. Schaff was hit off under the title of "Suany Jim." Ralph Jefferson's impersonation of a duke in a crowded car brought down the house. "Bridget's Administration" by Edward Bowman, and "Brother Harrington's Economy" by Frank Romaine, were much appreciated. "The History of the Ghalia Ghem Tribe" by George Ogden, and George H. O'Connor's "Dooley Knocks," and Harry Merritt on "Dr. Wilkinson's Trip to Norfolk" called forth shouts of laughter. These gentlemen were flaring red wigs, and went by the name of the Danesoch Club. "The Song of the Sword," by William Clayborn, "Believe Me, If All These Endearing Young Charms," by Mr. Macfarland, "The King's Highway," by John A. Finnigan, and a banjo solo by Joseph A. Cullen were interspersed. Ed. J. Walsh and C. P. Weston recited. L. E. Garmon was last on the program with a song, "Gypsy John." As a surprise to the members Morse Fitzgerald and Ralph Whelan, two clever pupils of Prof. Maurice Joyce, sparred three fast one-minute rounds. The evening closed with three times three for Brother Rauscher.

### OPINIONS HANDED DOWN BY U. S. SUPREME COURT

Associate Justice Brown yesterday announced the opinion of the Supreme Court of the United States in the case of Clinton Wiser and others against John Lawler and Edward W. Wells, which came up from the Territory of Arizona. The litigation was the outcome of the sale of the Seven Stars Gold Mining Company to the complainants by the defendants. The former contended the latter made certain misrepresentations relative to the mine, and for this reason endeavor to have the payment of the purchase money stopped from passing to Wells and Lawler. Mr. Justice Brown, speaking for the court, said the defendants were not responsible for any misrepresentations which may have been made, and dissolved the injunction restraining the payment of the purchase money. The amount involved is \$450,000. In the cases of Sweet and Barret, who sued to recover an allowance for mileage and board, in an opinion announced by Mr. Justice Holmes, the court held that persons discharged from the Government service, at their own request, are not entitled to mileage and commutation for subsistence. This, the court said, has long been the custom of the War and Treasury Departments and should not be overruled.

Mr. Justice McKenna announced the opinion of the court in the suit of Mary C. Roper against A. E. Randle. The judgment of the lower court, which was in favor of the defendant, was affirmed. The litigation was for the recovery of \$5,900.

### DEBRIS TO BE REMOVED.

J. B. Wimer, representing Gertrude E. Weible, will be informed by the District Commissioners that the lot on Erie Street, west of Sixteenth Street extended, has been cleaned of the material unlawfully dumped there by a colored man named David Lewis. Mr. Wimer recently complained of the action of some unknown person in using the lot for a dump. An investigation resulted in the discovery of the man and his willingness to clear the lot of the debris he had placed there.

### RESIGNATION ACCEPTED.

The District Commissioners today accepted the resignation of W. H. Scott, additional private of the Police Department.

## WHERE EXPLOSIVES MAY BE STORED

### Washington Barracks and Soldiers' Home Only Safe Places Here.

W. V. Hall, Acting Adjutant General, U. S. A., has written to the District Commissioners informing them that the commanding officer of Washington Barracks and the governor of Soldiers' Home are the only persons having charge of explosives in the District of Columbia.

This letter was in reply to an inquiry sent by the Commissioners relative to the amount of such explosives stored in the District and the rules governing such storage. The Commissioners said they were drafting regulations governing the storage and use of explosives and wished to learn what was desired by the War Department in that connection.

Accompanying the letter of General Hall are brief reports from the officers named. From the Soldiers' Home it was reported that only a small amount of ammunition—blank cartridges—for firing salutes was kept at the home. It is stored in a small magazine detached from other buildings, in iron barrels with close-fitting iron covers. No rules are in vogue relative to its storage and use other than those pertaining to the artillery service.

From the Marine Barracks it was reported that the bulk of the ammunition was kept at Fort Pote, Md., and only sufficient kept on hand for firing salutes and the sunset guns. No special rules are in force for its storage at the barracks.

## COUNSEL DUVALL ASKS INFORMATION

A. B. Duvall, Corporation Counsel, has been requested by the District Commissioners to give an opinion upon the question whether the firing of a revolver upon a United States Government reservation at a fleeing fugitive constitutes a violation of the law.

The matter was brought to the attention of the Commissioners by a report from Lieutenant McWhirter, of the Fifth police precinct, who states that two colored men were placed under arrest by the marine guard for trespassing upon the grounds of the navy yard. One of the men, named Parson Barnes, broke from the guard, and the latter discharged his revolver to attract the attention of two policemen, Privates Lalegar and Patterson, who arrested the fugitive and delivered him to the guard. The guard reprimanded him and let him go.

The question was raised by the Lieutenant whether the discharge of the revolver was illegal under the circumstances.
